## Private Airport Transfers

Please let us have your flight details when they have been finalized. It would be our pleasure to arrange your airport transfers. We can offer a variety of options, which we have included below. We are the only resort on island with a private helipad, so you could also consider arriving by helicopter. We are approximately 60 minutes by land taxi away from UVF Airport (6 minutes by helicopter) and 75 minutes from SLU Airport (8 minutes by helicopter).

Our airport transfer charges are as follows: The private standard sedan transfer for one or two persons each way from UVF is US\$110 per couple and from SLU US\$125 per couple. Alternatively, we can arrange private luxury sedan transfers each way at US\$195 per couple from UVF and US\$215 per couple from SLU.

Should you opt for a helicopter transfer, these are available from US\$280 per person each way from UVF and US\$305 per person each way from SLU. We will book your transfers with the island's one and only helicopter company. The company requires a minimum of 4 passengers prior to confirming the transfer. We will provide further details if you wish to make a helicopter booking.
